Graphic Designer II - **Microchip Technology (Feb 2023 - Present)**
I am used to work on design collaterals like Mailers, Banners, Infographics, Presentations,
Developing HTMLs in Mailers, News letters & other static designs, 3D Animation Explainers
and visual effects, Website Dashboards, etc...

Senior Graphic Designer - **Goodera (Feb 2020 - Feb 2023)**

I lead team of 9 designers in this organisation in which I used to create & manage both brand
and client deliverables which includes creating **Mailers, Posters, Banners, Infographics,
Motion graphics, Emailers, Decks, Brochures, Website Design, Landing pages, HTML,
Explainer videos, Post and Pre event videos, Teasers, eBooks, PRs, Standees, Newsletters, UI
Design and Corporate photography and videography etc...**for many global based
companies**(170+)** like **EY, Apple, IBM, Deloitte, FedEx, Target, Oracle, and so many**. I am
proficient in various computer programs required
in graphic and motion design such as **Photo Shop, Illustrator, Premier Pro, After Effects, and
UX UI related software like In Design, Adobe XD, Figma,** etc.. and Flash utilities and others
relating to Website designing in Figma, HubSpot etc..

I value communication and collaboration but I am also an innovator self-starter able to begin
projects and see them through to completion. I am a talented and creative designer often
seeing ways to improve upon projects that others may miss. I have won a number of design
awards for my **Quality and Catalyst**. It would be a thrill to be able to bring my unique
abilities to the design.
